## Sutcliffe Furniture - built for life

At Sutcliffe Furniture we know that it's our attention to detail that makes our furniture stand the test of time both with regard to quality and style.

Every piece of furniture is designed, manufactured, assembled and quality checked to exacting standards.

The Harewood range of living and dining furniture is made from hand selected solid oak and oak veneers.

Curved edges and a tactile low sheen emphasise the beautiful oak wood grain.

Display cabinets have glass shelves with LED lighting. Door and drawer units provide an extra quality feel with the addition of a soft close feature. Matching oak knobs enhance the clean lines and timeless look that epitomises this range.

## The Harewood range of furniture now includes 'Sutcliffe Comfort' sofa collections with matching show wood - the perfect addition to any room
