FEET COLOUR OPTIONS: Light Oak, Mahogany and Black.
Shepherd style orbital castors and glides are available as an alternative foot option at no extra cost.

4 SEATER & 3 SEATER SOFAS are available with 2 or 3 separate seat and back cushions

The Seating height can be reduced by approximately 1.5 inches by replacing the standard foot with either the lower foot, castor or glide option.

If you would like a special size or an alternative fabric of your choice. Please call and we will try to meet with your request.

There are 2 seat foam density options - Either Standard (Peach colour) or Firm (Grey colour) - Recliners are only available with the firm option.

All dimensions are rounded up to the nearest inch and do not form any part of any contractual obligation. (W & O.E)
